Professional Summary

Digital Designer with hands-on experience across UI/UX, visual design, and responsive web design, working in fast-paced freelance and studio environments. Skilled in creating user-centred websites, landing pages, branding assets, and digital experiences that balance strong visual execution with usability and performance. Comfortable collaborating with clients, designers, and developers to deliver production-ready, mobile-optimised designs using Figma and Adobe Creative Suite.

Key Skills

- Digital & Web Design
- UI Design & UX Fundamentals
- Branding & Visual Identity
- Wireframing & Prototyping (Figma)
- Responsive & Mobile-First Design
- Design Systems & UI Components
- Conversion-Focused Design
- Stakeholder & Client Collaboration
- Agile / Multi-Project Workflows

Technical Skills

Design Tools: Figma, Adobe XD, Framer, Webflow
Adobe Suite: Photoshop, Illustrator, After Effects
Web Fundamentals: HTML, CSS, JavaScript
Other: Prototyping, UX Audits, A/B Testing

Professional Experience

Freelance UI/UX & Product Designer

Remote (London) | Jan 2024 – Present

- Designed and delivered responsive websites and landing pages, improving user experience and contributing to a 30% increase in sales for a client-facing business
- Produced branding, UI components, and web-ready visual assets aligned with client goals and digital best practices
- Worked across multiple concurrent briefs, translating client requirements into clear, production-ready designs
- Developed high-fidelity prototypes in Figma to communicate concepts, interactions, and responsive behaviour
- Collaborated closely with developers to support handover, feedback implementation, and design consistency

UI/UX Designer – BSM Studios

Remote (California) | Jun 2021 – Apr 2022

- Designed intuitive digital interfaces for web-based platforms, contributing to user growth
- Supported user journey optimisation, improving onboarding flows and reducing drop-off points
- Created design systems, reusable UI components, and interactive prototypes in Figma
- Worked within an Agile, agency-style environment, collaborating with developers and stakeholders across time zones

Freelance Graphic Designer

Essex & London | Sep 2020 – Jun 2021

- Created branding, visual identity assets, and digital content for online creators and small businesses
- Designed illustrations, thumbnails, and social media assets optimised for digital platforms
- Strengthened brand consistency and audience engagement through targeted visual design strategies

Education

BA (Hons) UI/UX Design – First-Class
Ravensbourne University, London | Sep 2020 – Jun 2023

- Completed a **real-world UX capstone project**, achieving a **First-Class distinction**

Level 3 Diploma in Media – Distinction
Chelmsford College, Essex | Sep 2018 – May 2019
